

Queensland Mini Diggers

BRANCH MANAGER MINI GRAPPLE

Carry brush and logs out lengthwise instead of widthwise
Fit your loads through tighter access yards, feed your chipper, and load trailers.

Built for Professional Tree Service Companies

Hanger design allows machine arms to stay low for stability

Power coat finish

Universal Swivel Mount
360° knock-around

Hydraulic rotation available but not recommended for stand on and walk behind mini loaders

Standard flat-face hydraulic couplers included

Fits: Boxer, Dingo, Ditchwitch, Finn, Kanga, Multi1, MultiTrak, Ramrod, Thomas, & Vermeer

Custom Mounts Available for: Bobcat MT's and Gehl AL20
